

# Chill out in Europe, US, Canada with Choice Holidays

**MUSCAT:** Choice Holidays, the leisure division of National Travel & Tourism (NTT), has lined up many exciting holiday packages in association with British Airways. These value offers are to all-time favourite destinations in Europe, USA and Canada. Apart from their delightful value, another distinct advantage of Choice Holidays packages is the guaranteed high quality service of British Airways and renowned tour operators in Europe, US and Canada.

The salient features of these packages are excellent value for money, variety of choices, flexibility, mix and match opportunities with

no hidden expenses or unpleasant surprises. Most of these packages are carefully selected and are customised to the local demand and taste. For example four days Milan package is being sold for as low as RO259, while four days London is

on offer at RO259. Five days Tops of Switzerland is in high demand and this is currently been sold at RO466. Turkey, being another popular gateway destination from Oman is packaged at RO376 for seven days while eight days Austria round

tour is been sold at RO599.

In addition to these Fixed Departure group packages Choice Holidays also has a wide selection of value for money holidays options to various exotic locations under their 'Tour The World' individual tour programmes. Choice Holidays is among the most reputed holiday specialists in Oman, manned by professional tour consultants who offer tour itineraries in line with customer's requirements. Choice Holidays is one of the leading holiday specialists in Oman with largest holiday shop manned by qualified and experienced Leisure Travel Consultants.
